### OUT-Join In Prayer Around The World

"Our Father in heaven, hallowed be Your Name..."

We humbly bow and glorify Your omnipotence and presence. We give thanks for You being our Father. We come to You asking for protection and wisdom for the many believers in Kolkata, India. During the cyclone and the ongoing pandemic they have been distributing food and household items to the people. They want others to pray for open doors and hearts as areas are revisited. Help us to continue to pray for our "sisters and brothers" in other lands. In Jesus's Name, Amen
